REGULAR AGENDA

10. Hubbard-Schultz- Wheeler (HSW) Project Establishment-J. Kolb stated that all signatures were reviewed and verified. The project was assigned number #2013-02; see Resolution #2013-02. A motion was made by G. Behm and seconded by B. Wing to adopt Resolution #2013-02; the motion passed 4-0. A roll call was taken and all Board members present voted “yeah” with J. Flanders being absent. The WD purpose will be as stated in the TMDL study. R. Hodapp asked if dual objectives may present themselves; J. Kolb stated that each partner will have their focus. C. Netland stated that the DNR could be a formal partner through the Shallow Lakes Program. R. Hodapp asked about the structure of the co-management of the HSW Project. J. Kolb stated that the structure is yet to be determined. As of now: DU is pursuing finances; WD will fill in gaps of financial need and obtain easements; DNR may provide a financial contribution and work with legislative representative (D. Frederickson-New Ulm) and with DNR Commissioner Landwehr; DNR will also assist with any public hearings that would be held. J. Kolb stated that the next step is to map out a time line and determine policies.

10.a. Houston Engineering-Task Order #2013-01 HSW Lake Level Management Project was reviewed by the Board and staff. After discussion a motion was made by R. Schaefer and seconded by B. Wing to authorize the WD President to sign the Task Order #2013-01 when available. The motion passed 5-0. See Scope of Services #2013-01
11. Green Lake Property Owners Association (GLPOA) AIS Project Proposal- M. Johnson stated that the subcommittee met 2 times to review and offer options to the GLPOA. The subcommittee agreed with the importance of an AIS program and requested that the GLPOA pursue a public project to fund the project. No further action was taken.
12. Administrator’s Report:

12.a. Review of Calendar-See calendar with the addition of the Crow River clean up on September 21st.
12.b. Review of Project status-
12.b.1. BWSR Green Lake Stormwater-Two bids were received ($90,000 & $70,000) and forwarded onto Irving Township Board Chairman-H. Olson.
12.b.2. CWP Watershed Resource Investigation-V. Glieden-Henjum is setting up curriculum for the STREAM Program for ACGC, BBE and NLS schools.
12.b.3. CIP 10-01 Nest Lake Aquatic Plant Management Project Agreement- M. Johnson stated that the difficulty obtaining timely budget information lead to the request for J. Kolb to establish guidelines for Nest Lake Association submission of necessary data to the WD. See CIP 10-01. A motion was made by G. Behm and seconded by B. Wing to approve the CIP 10-01 Nest Lake Management Program. The motion passed 5-0; see copy.

12.c. Administrative matters-
12.c.1. K-07-13 Meiers Revegatation-V. Glieden-Henjum reported that work continues with R. Reimer-SWCD in the selection of plants more appropriate for the wetter condition of the site. Total cost of correction, plants and installation is $3300. Hopefully $2600 will be covered by SWCD and the WD would use a $700 BWSR Grant. After last weekends’ rain it was noted that rain was only held for 24 hours. A motion was made by B. Wing and seconded by J. Flanders to approve K-07-13 Meiers Revegatation project for up to $3300 of approved costs. The motion passed 5-0.
12.c.2. K-06-13 Irving Township Project-A motion was made by J. Flanders and seconded by G. Behm to approve up to $52,477 of the approved costs of the Irving Township project. The motion passed 5-0. The next Irving Township meeting will be held on September 17th and the Township Board will be notified at that time.
12.c.3. DG 13-03 Blue Diamond Project-S. Erickson presented information on the Gennessee township wetland restoration project. The project involves removal of nonnative plants/shrubs and reseeding in native grasses. A 24 inch bypass pipeline will be installed to improve water flow along with building a dike/water control structure. Contributions have been pledged by: U.S Fish& Wildlife-$19,100; MN Waterfowl $3,400; Kandiyohi County Water Task Force $2,000 and $1000 from the Diamond Area & Lake Association (DARLA). Requests were also made to: Conservation for $25,000 and $1700 from the WD. Total cost of the project is estimated at $52,200. A motion was made by J. Flanders and seconded by G. Behm to approve up to $1700 for the Blue Diamond Wetland Restoration Project. The motion passed 5-0. See maps.
12.c.4. 2013 MAWD Resolution District Funds & Statutory Correction-J. Kolb reported that MS 103 subdivision 9 allows WD to levy the operating cost projects. The new funding sources are not allowing the recoupment of operating costs and this matter should be resolved by BWSR. A meeting with S. Woods of BSWR to address this issue has occurred. The Resolution would ask MAWD to formally pursue correction of the inconsistencies. A motion was made by B. Wing and seconded by G. Behm to approve 2013 MAWD Resolution District Funds & Statutory Correction. The motion passed 5-0.
12.c.5. GLPOA Donation of a tree for the WD landscape project was accepted by the Board and a thank you was sent.
