LOAN APPLICATION FOR SEPTIC SYSTEMS
Middle Fork Crow River Watershed District
State Revolving Fund (SRF)

The Board of Managers of the MFCRWD (Middle Fork Crow River Watershed District) work to protect and preserve the quality of surface and groundwater in the Middle Fork Crow River Watershed. Therefore we promote the installment of proper individual sewage treatment systems (ISTS). To meet this goal, the MFCRWD applied for and received State Revolving Loan Funds (SRF) from the Minnesota Pollution Control Agency. Because SRF monies come through the State of Minnesota, we therefore must make the borrower aware of certain nondiscrimination rules.

1. The MFCRWD and its agents and contractors in the performance under the agreement shall not engage in any discriminatory employment practices and shall in all respects comply with Minnesota Statutes, Chapter 363, Section 181.59 (1994) and all applicable rules and subsequent amendments thereto. Minnesota Statutes section 181.59 provides:

   Every contract for or on behalf of the State of Minnesota or the MFCRWD for materials, supplies or construction or other needs to complete work shall contain provisions by which the MFCRWD or contractor agrees:

   (a) that in hiring of common or skilled labor for the performance of any work under any contract, or any subcontract, no contractor, material supplier or vendor, shall by reason of race, creed or color, or sex discriminate against the person or persons who are citizens of the United States or qualified and available to perform the work to which the employment relates.

   (b) That no contractor, material supplies or vendor shall, in any manner, discriminate against, intimidate or prevent the employment of any person or persons identified by clause, (1) of this section from the performance of work under any contract on account of race, creed, color or sex.

   (c) That this agreement may be canceled or terminated by the MFCRWD or any other person or agency authorized to grant the contracts for employment. All money due or to become due hereunder may be forfeited for violation of the terms or conditions of this agreement or contract, or violation of State or Federal Laws pursuant to this contract.

2. Use of Project Facilities.

   The MFCRWD and its agents or contractors or material suppliers in the operation of the project shall not deny any person the full and equal enjoyment of its services, facilities and accommodations because of race, color, creed, religion, disability, national origin or sex, and shall comply in all other respects with Minnesota Statutes Sections 363.03 (1994) and all rules and subsequent amendments thereto.

Determining the selection of SRF loan recipients

   The decision of the MFCRWD Board of Managers will be based on several factors, some of them being, date of application, the urgency of correcting the problem, the distance to ground water and any other factor(s) related to the systems threat to water quality, but not necessarily limited to the above criteria or in this particular order of importance.
MIDDLE FORK CROW RIVER WATERSHED DISTRICT STATE REVOLVING FUND (SRF)
LOAN APPLICATION FOR SEPTIC SYSTEM

We hereby make application to the MFCRWD for loan funds for construction of a/an __________________________________________
(List Type of Project)

1. Owners name or names as they appear on the Real Estate Tax Statement

2. Mailing Address __________________________________________________________

3. Phone numbers: Home ____________________ Cell ____________________

4. Parcel ID Number as it is listed on the tax statement_____________________

5. County, Township, section, subdivision, lot number, etc. (or other proper descriptions).

6. Enclose a copy of location map or plate.

7. Other Information: ____________________________________________________________________

Designers Signature: ____________________________________________________________________

Statement of Lien or Mortgage Holder

I/We (name of applicant) __________________________________________ understand that the money needed to install
BMP’S can be secured from the Middle Fork Crow River Watershed District in the form of a low interest State
Revolving Loan. I/We also understand that this loan will be secured by a tabular lien statement, filed with the Auditor of
the affected county in accordance to state statutes. Repayment will be as part of the property taxes each year and can
only be made at the County Treasure office in the County in which the property is located.

I/we understand that no construction may commence until all loan funds are in place and all necessary permits have
been secured and a licensed contractor has provided detailed plans for the project. Applicants will be responsible for
all permit, inspection and recording fees.

No loan funds may be released to the contractor until all construction has been completed, the system inspected by
the County and a certificate of inspection submitted to the Administrator of the Middle Fork Crow River Watershed
District.
